The Democratic statesmen see in the Tariff a local issue, in the South. In the North, a Protective Tariff "is robbery."

The Frankfort State Journal is respectfully notified that Boss ALDRICH can't put a high Tariff on Kentucky burgoo. Old Kaintuck won't stand for it.

THE Democratic Party has been smoked out of its false position on the Tariff issue. They are as anxious for a fattening at the Protection crib as anybody, only they want the South to have special Protection and Free Trade in the North.

"FOR TWO"

Local Knights of Columbus Present
Newport Knight and His Bride
Beautiful Chair

In the institution of Council 1377, Knights of Columbus, of this city, no Knight was more active than Mr. Harry Pelzer of Newport, Ky. It was therefore eminently fitting that on the arrival of Mr. Pelzer and bride in this city last week, some mark of esteem for his services aforesaid should be made by the local Knights. This esteem found expression in a gift to Mr. Pelzer and bride of a handsome, massive mission chair, large enough for two, beautifully upholstered in old Spanish leather.

If Harry and bride realize half the happiness which their Maysville friends wish them, their lives will be one continuous blessing of unalloyed bliss.

Clarence Chambers and Lena Brown, colored, were married Saturday in the County Clerk's office, Squire J. O. Pickrell officiating.

NEW CHURCH

Christian Edifice to Be Dedicated at Minerva June 20th

Dover News.

The new Christian Church at Minerva, which takes the place of the one burned recently, will be dedicated June 20th.

It is a neat, up-to-date edifice, and will be furnished with the latest seats and furnishings.

The congregation at Minerva is to be commended for its quick work in replacing in so substantial a manner the house of worship destroyed by fire.

MRS. MARTHA A. BALDWIN.

While not unexpected, the announcement of the death of this good woman will be received by a wide circle of devoted friends with a keen pang of sorrow, for truly a noble character has passed away.

Bearing her suffering, as she did, with Christian resignation and fortitude, her gentle spirit took its flight and was wafted to an eternal home beyond the skies at 8:10 o'clock yesterday morning.

She was born near Dover October 29th, 1829, and came of a royal pioneer family, being a daughter of Edward and Letitia Tabb, her father being a son of John Tabb, a Virginian of Revolutionary fame and distinction.

Colonel W. W. Baldwin and Martha A. Tabb were joined in holy bonds of wedlock November 19th, 1850, and of this union four daughters and two sons were born, four of whom survive to mourn a mother's loss—Mrs. A. C. Respass and Mrs. William McCann of Lexington. Mrs. Lottie Cartmell and Mr. W. W. Baldwin of the county, the former residing on the home plantation. She also leaves one sister, Mrs. Mary E. Black, of Dover, who has been an invalid for years and is now critically ill.

Her husband, who preceded her to the grave several years ago, was a man of force of character and ability, and at the time of his death the Baldwin Plantation was one of the largest and most fruitful of any in the county and the Manor, "Au Vergne," was noted for the generous hospitality of both host and hostess.

The deceased was a most amiable and lovable character, always ready to extend a willing hand to do what she could for the betterment of others. She had been a member of the Christian Church for many years, and exemplified her religion in her daily walk in life. The funeral will take place tomorrow morning at 11 o'clock from her late home, with services by Rev. W. W. Hall and Rev. Roger L. Clark of the Christian Church.

Interment in family lot in Maysville Cemetery.

MRS. CHARLES PATTON.

Mrs. Charles Patton, wife of the Treasurer of the C. & N. and O. T. P. Railway Company, formerly of Dover, died at a Cincinnati Hospital, where she had been a patient sufferer for over a year. She was a very beautiful woman, and besides her husband, from whom she had been separated for several years, she leaves four children, two daughters and two sons, one daughter being married and residing in Paris, France.

The interment took place in Spring Grove Cemetery, Cincinnati, Saturday, Mr. and Mrs. Henry Patton of Dover, the former her brother-in-law, being present.

MRS. MARTHA SHOUSE.

Mrs. Martha Shouse died last evening at 7:15 at the home of her sister, Miss Hattie Cooper, in Lee street.

Deceased was born January 30th, 1837, and is survived by three sisters, Misses Hattie and Laura Cooper and Mrs. William Johnson, and one brother, Mr. William Cooper of Springfield, Ohio.

Mrs. Shouse was a member of the Church of the Nativity.

The funeral will take place at 3 o'clock tomorrow afternoon from the residence, the interment following in Maysville Cemetery.

The following teachers left this morning for Richmond, Ky., to take a summer course at the Eastern Kentucky State Normal School—Misses Stella Nash, Mattie Clift, Mary Ross, Edith Shipley, Mary Colvin and Lucinda Slack.

MEMORIAL SERVICES

By Wyandotte Tribe No. 3, I. O. R. M., at Beechwood Park Auditorium

The Redmen made a respectable showing in their parade yesterday afternoon. There were 73 men in line, not including the Drum Corps.

The exercises at the Park were carried out as per program published in Saturday's LEDGER, and were impressive and beautiful in character.

Since its organization the Tribe has lost by death 20 members, John H. Wright, May 24th, 1896, being the first, and James Lynden Woods, January 27th, 1907, being the last.

ANOTHER WOMAN CURED

By Lydia E. Pinkham's Vegetable Compound

Gardiner, Maine.—"I have been a great sufferer from organic troubles and a severe female weakness. The doctor said I would have to go to the hospital for an operation, but I could not bear to think of it. I decided to try Lydia E. Pinkham's Vegetable Compound and Sanative Wash—and was entirely cured after three months' use of them."—Mrs. S. A. WILLIAMS, R. F. D. No. 14, Box 89, Gardiner, Me.

No woman should submit to a surgical operation, which may mean death, until she has given Lydia E. Pinkham's Vegetable Compound, made exclusively from roots and herbs, a fair trial. This famous medicine for women has for thirty years proved to be the most valuable tonic and renewer of the female organism. Women residing in almost every city and town in the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound. It cures female ills, and creates radiant, buoyant female health. If you are ill, for your own sake as well as those you love, give it a trial.

Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice. Her advice is free, and always helpful.

Life insurance organizations distributed in 1908 in the United States and Canada \$330,811,000, according to computations by The Insurance Press. Six million seven hundred thousand dollars was paid out in Kentucky. Maysville parties getting of this amount \$38,442. The late Eugene R. Davis of Helena held policies amounting to \$11,350.

RECLAIMED LAND

Great Work Accomplished By the Reclamation Service

The National Reclamation Act was passed in 1902. At that time there were in the Government's name, in the sixteen States affected, 600,000,000 acres of arid land, of which it was estimated possible to reclaim sufficient to support 50,000,000 people.

By 1911 the Reclamation Service will have reclaimed nearly 2,000,000 acres at an estimated cost of \$70,000,000.

There are 40,000,000 acres of arid lands susceptible to reclamation by irrigation. The construction cost of the reclamation work is returned to the Government from the sale of land, the proceeds to be again used in furthering irrigation development.

Irrigation is making a garden spot and an empire of the "Great American Desert," and the work of the Irrigation Congress is yet in its infancy.

BOOST EDUCATION

Second Whirlwind Campaign For Better Education in Kentucky

The second "Whirlwind Campaign" for better education in Kentucky has been planned for June 27th-July 3d, and will be bigger, better and more thorough than the former campaign. It will cover the entire State, both city and county, with special reference to the rural community. The campaign will open Sunday, June 27th, when every Minister in the State will be asked to deliver an address on "Public Education in Kentucky," from his own pulpit.

The regular speakers—one hundred strong—will begin active work on Monday, June 28th. In nearly every instance each speaker will cover two counties. His work will be reinforced by local speakers and every community will have an opportunity to participate in the great educational movements which are sweeping over Kentucky.

One of the most important events of the campaign in each county will be the "Rally Day." This should be the greatest event in the history of the county.

An all-day, open-air meeting with music and marching and special entertainment has been planned to take place in each county seat.

MEMORIAL SERVICES

At the Washington Catholic Cemetery Attended By An Outpouring of People

Yesterday was an auspicious day, bright and beautiful, and never did the Silent City appear quite as pretty, garlanded as the sacred grounds were, than on last afternoon when the people turned out en masse to do reverence in memory of loved ones gone before.

The services were very impressive throughout and were conducted by Rev. Father P. M. Jones, assisted by Rev. Father Constantine of Cincinnati.

Every conveyance in the city was in service for the occasion and hundreds were disappointed in not securing means of transportation. The gathering was estimated at several thousand, the largest assemblage ever on the ground before.

FINE SCHOOL WORK

Grades Made By Pupils in Miss Gordon's School Past Year

The work done in Miss Gordon's Training School the past year has been exceptionally high class.

Out of the large number who have made high grades Misses Lucy K. Browning, Lucy Gordon Quaintance, Irene Turner, Amanda Bullock and Margaret C. Owens stand first, having made the very unusual average of 98% for the school year, while Misses Helen Stevens and Julia D. Rice come next with 97%.

Miss Gordon is pleased with the result obtained by discarding examinations and requiring a general average of 90% for promotion.

Department is given equal prominence with classwork, and some whose excellent scholarship would have entitled them to honorable mention here have lacked that self control and discipline so essential to a good student and a symmetrical character.

ONLY ONE.

The Record in Maysville Is a Unique One.

If the reader has a "bad back" or any kidney ill and is looking for relief and cure, better depend on the only remedy endorsed by people you know. Doan's Kidney Pills relieve quickly—cure permanently. Maysville citizens testify to this. Here is a case of it:

Mrs. Nathan A. Hafer, Maysville, Ky., says: "My opinion of Doan's Kidney Pills is so high that I have not the least hesitation in publicly recommending them. For ten years I was bothered by backache, during which time I tried various remedies without obtaining beneficial results. There was a constant, dull ache across my back, often accompanied by sharp rheumatic twinges throughout my body. I was also subject to nervous headaches and dizzy spells, and on arising in the morning felt very tired. My husband advised me to give Doan's Kidney Pills a trial, and I procured a box at J. J. Wood & Son's Drugstore. They proved very beneficial in my case and in a short time cured me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
